25X 4	02 16 March 10/2 Name 77	
	 On 16 March 1948 Mayor II returned to Tsingtae from he and Central Government authorities had discussed tions in Tsingtae. 	Shanghai and Madding, where without of improving condi-
2.	2. The following objectives were accomplished at these meetings:	
25X1C	a. A directive was received from the Generalization which was forwarded to General TING, commanding officer of the 11 Pacification Area, stating that TING'S authority extended only to military activities and all civil authority was to remain under the municipal government. Note: General TING and Mayor LI have long been in disagreement. TING craimed supreme authority in Tsingtao because of his position as head of the 11 Pacification Area.) b. An allotment of 80,000 bags of flour and 20,000 bags of rice per month has been made for Tsingtao. c. Enough coal to run the power plant on full schedule was promised; this would permit operation of the cotton factories.	
	d. A Central Government allotment of 200 tons of ric Tsingtao area was granted. Li plans to establish this and estimates that these kitchens will feed 60,000 re	Thy-Three rice kitchens, fuseen each der
	e. Central Government approval for the use of refuge projects was secured. About 5,000 refugees will be a throughout the city. A factory for the weaving of cottening planned, and the profits derived from the sale cused for relief work.	es as laborers on syndelpal apployed to repair roads
3.	the ammunition had been illegally sold. The explosion was planned to cover this sale, as a new supply officer was about to take over the dump.	
4.	The Central Government will soon liberalize its policy entering Tsingtao, and registered shipping companies a one foreign ship per month into this port.
